

Yousef Akbari

Linux System Administrator Intern

EXPERIENCE

Senior Graphic Designer - Cyber Design & Print Office

Feb. 2020 – Jul. 2021

Cyber was a local Design and Print Office - Our Services included Printing, Graphic Design, Website Design, Digital Marketing, and Internet services.

- I designed over 200 graphic illustrations, 100 business cards, and other printing services.

HR Department Employee - Sky Software Solutions

Feb. 2018 – Dec. 2018

To provide accounting services on the cloud platform, Asman Company has designed and prepared accounting software for its customers.

My responsibility was:

- Data entry.
- Teach the customer how to work with the software.
- deployment and software support.
- Negotiating with our Customers.
- Coordinate meetings and track sales.
- Telephone software support services.
